

Anti-Bullying Policy

OBJECTIVES OF THIS POLICY:

- All club members, coaches, officials, and parents should understand what bullying is.
- All club members, officials and coaching staff should know what the club policy is on bullying and follow it when bullying is reported.
- All players and parents should know what the club policy is on bullying, and what they should do if bullying arises.
- As a club we take bullying seriously. Players and parents should be assured that they would be supported when bullying is reported.
- Bullying will not be tolerated.

PROCEDURES:

1. Report bullying incidents to the Club Welfare Officer or a member of the clubs committee or contact the County FA Welfare Officer.
2. In cases of serious bullying, the incidents will be referred to the County FA Welfare Officer for advice and possibly to The FA Case Management Team.
3. Parents should be informed and will be asked to come into a meeting to discuss the problem.
4. If necessary and appropriate, the police will be consulted.
5. The bullying behavior or threats of bullying must be investigated, and the bullying stopped quickly.
6. An attempt will be made to help the bully (bullies) change their behavior.
7. If mediation fails and the bullying is seen to continue the club will initiate disciplinary action under the club constitution.

IF BULLYING IS REPORTED:

1. The County FA Welfare Officer should always be informed and will advise on action to be taken where appropriate.
2. It is anticipated that in most cases where the allegation is made regarding a team manager, official or coach,

The FA's Safeguarding Children Education Program may be recommended.

3. More serious cases may be referred to the Police and/or Children's Services.

CLUB ACTION:

1. Reconciliation by getting the parties together. It may be that a genuine apology solves the problem.
2. We are committed to providing a caring, friendly, and safe environment for all our members so they can participate in football in a relaxed and secure atmosphere. Bullying of any kind is unacceptable at our club. If bullying does occur, all club members or parents should be able to tell and know that incidents will be dealt with promptly and effectively. We are a TELLING club. This means that anyone who knows that bullying is happening is expected to tell the club welfare officer or any committee member.
3. If this fails/not appropriate a small panel (made up from Chairman, Club Welfare Officer, Secretary, committee members) should meet with the parent and child alleging bullying to get details of the allegation. Minutes should be taken for clarity, which should be agreed by all as a true account.
4. The same three persons should meet with the alleged bully and parent/s and put the incident raised to them to answer and give their view of the allegation. Minutes should again be taken and agreed.
5. If bullying has in their view taken place the individual should be warned and put on notice of further action i.e., temporary, or permanent suspension if the bullying continues. Consideration should be given as to whether a reconciliation meeting between parties is appropriate at this time.
6. In some cases, the parent of the bully or bullied player can be asked to attend training sessions, if they are able to do so, and if appropriate. The club committee should monitor the situation for a given period to ensure the bullying is not being repeated.
7. All coaches involved with both individuals should be made aware of the concerns and outcome of the process i.e., the warning.
